10 Event Marketing Tips for Social Media

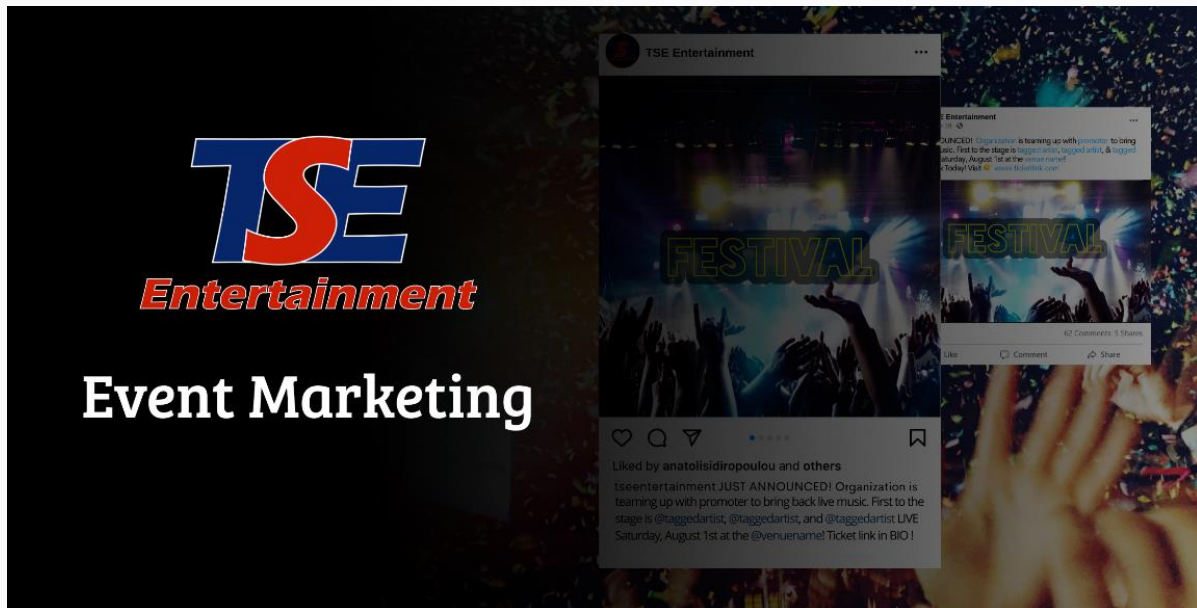

**Social Media Is a Powerful Tool for Event
Promotion**

Social Media Marketing is a huge part of promoting any event these days. As you can see with these tips from Shantell, you need to do it in a systematic way working from a event marketing strategy, i.e. a plan. For entertainment events, that should include the artists performing as they are the major influencer for their fans. Fortunately there are many tools to assist you in creating engaging content for your target audience. Remember you need to know the audience for your event. Don't forget social media to show off your event after the fact. Remember you are building your brand for the next event as well.

Client Testimonial

Erin Cameron has been wonderful to work with on this booking. She has been there whenever I had any questions or needed clarification on any matter. She event answered emails on the weekend. I wish

to thank her for everything she has done to make booking our show a smooth process.

A Good Business Decision

**Help Us Put Bands and Venues Together
for Routing Purposes**

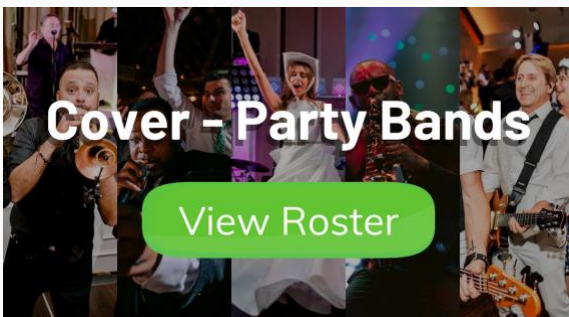

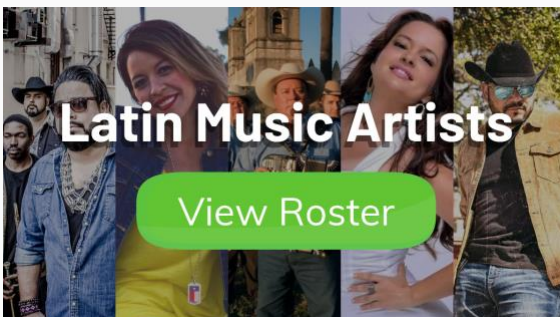

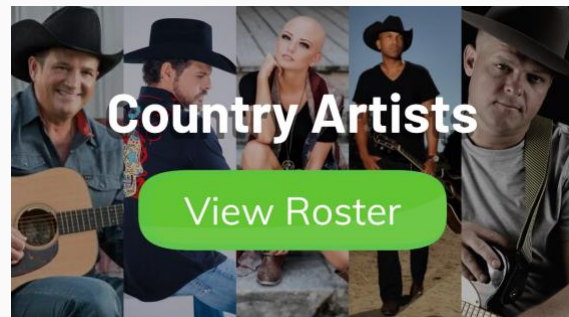

One of the easiest ways for you to keep performance fees down is by venues having a routing gig for the acts you want. What's not to like about that? Bands feel the same way. We just need to get venues and bands together in the process.

You have nothing to lose!

Click the Button Below and Fill Out the Form

It just might be a way to get the artists you want at a price you can afford.
