They booked El Dasa for a private party. We got a great rate and a fabulous performance with no problems. I'll happily book with them again.

POM Person

TSE Entertainment's onsite producer that provides you Peace of Mind.

Delivering Peace of Mind for Your Events

The next best thing to having TSE handle all of your local production needs is having TSE's PoM person on site to handle all of the local production and artists issues involved with your event. What's a PoM Person you ask?

It's an experienced producer who becomes your liaison with all of the contractors, artist representatives, and people involved with putting on the show, down to the stagehands. You get someone who knows every detail of what needs to be done and when during your event.

Having a TSE Producer on site delivers Peace of Mind to those putting on the event. That's why we call them PoM People.
